Brent Mawdsley

Brent and his wife Therese are from Vancouver, BC, Canada. Since 1988, Brent has called and cued two to four nights per week, and currently calls for three clubs, one of them for over 36 years. Brent has been the featured caller for dance weekends and special events throughout BC & the Western US and regularly entertains community groups with introductions to modern square dancing. He is a staff caller with Riverboat Square Dance Music and has made over 30 recordings. When he's not calling, Brent works full time as Business Development Manager, for Activation Laboratories, a global mineral testing company.

TJ and Bruce Chadd

TJ began Square Dancing in 1975 with a teen group in Boise, then taking her first Round Dance lessons in 1980. TJ danced everywhere she lived, spending time in North Carolina; Okinawa, Japan where she began cueing in 1984; Utah where she continued to cue and taught her first classes, then returning to her hometown of Boise, Idaho in 1991. Bruce caught the square and round dance bug in 1995 when he attended a Square and Round Dance weekend with his parents. In the Spring of 1996 TJ and Bruce were introduced by mutual friends and they began dancing and teaching together, happily saying “I Do” in April 1999. They continue to teach through Phase V – with their Boise round dance group “Dance With Me Rounds.” They’ve also had the pleasure of teaching at several weekends throughout the United States as well as at Roundalab, USA West and National Conventions. TJ and Bruce’s choreography includes many dances that have been chosen for ROM’s and RAL ROQ’s. They enjoy membership to several dance organizations including ICBDA, ROUNDALAB (where they served on the Board of Directors for 3 years), Boise Valley Square Dance Hall and Intermountain Square and Round Dance Association. Both TJ and Bruce are retired from full-time employment and when they’re not teaching or dancing they enjoy time fishing, reading, traveling and spending their winters “Snowbirding” in Mesa, Arizona.
